To SHOOT FOR THE CURE sponsors and participants:

Individuals with Cystic Fibrosis are representative of our most vulnerable population. We recognize the importance of the Covid-19 quarantine mandates that have been in place through out most of 2020.

Optimistically we thought we could host our Event in October. That was not feasible. We are hopeful of hosting the SHOOT FOR THE CURE May 6<sup>th</sup> and 7<sup>th</sup>, 2021. Mark your calendars!

Banquet/Live and Silent Auction Thursday, May 6<sup>th</sup>  
65 Roses Raffle \* Red Neck Raffle \* Games of Chance

Sporting Clays Event Friday, May 7<sup>th</sup>  
Birchwood Recreation and Shooting Park

SHOOT FOR THE CURE relies on the generous support of our corporate community and individuals. Our funding of local programs, research and the CF Foundation is dependent on these donations. If your charitable budget for 2020 allows your contribution, sponsorship or donation, we are grateful for you making that same charitable gift.

We appreciate our cornerstone sponsors from 2019:

Ace Air Cargo \* Alaska Frontier Constructors \* Alaska Airlines \* Princess Cruises\* Alaska USA FCU \* CMI \* ConocoPhillips \* Fitzgerald Photography \* Holland \* Little Red Service Co. \* Moose Lodge 1534 \* ASRC \* Kenai Spine \* Lynden\* Oxford Assay and Refining \* QAP \* Enstar \* Davis Peterson - Anchorage Fracture and Orthopedics \* Open Buckle Auction Service

SFTC supports a personal, passionate Cause. In the last year, despite the pandemic and economic hardship, the CF Community welcomed the release of specific modulator medications that are changing lives and offering hope to all patients living with Cystic Fibrosis! Together we are making a difference! Heartfelt thanks for your support!
